

The North Carolina Spinal Cord Injury Association (NCSCIA) is a non-profit 501(c)3 group, formed in the Fall of 2003. NCSCIA is an approved state chapter under the National Spinal Cord Injury Association and a program of United Spinal Association. NCSCIA provides statewide support and resources for the spinal cord injury (SCI) community in North Carolina.

Our main objectives are centered on the key objectives of **Support, Communication, Information** and **Advocacy**. These are reflected through our programs, website, committees, peer mentoring, support groups, adaptive sports and social activities. *Our mission is to enable people with spinal cord injury and disease (SCI/D) to achieve their highest level of independence, health and personal fulfillment.*
